A live, two-hour special & volunteer-a-thon event

Don't Forget To Watch Tonight - at 8 p.m.

Repeats Saturday, June 27 at 6 p.m.

The economic crisis has compromised funding for nonprofit organizations throughout Connecticut...in the face of an increasing demand for services. But even though money is tight, there are other ways you can support organizations that are especially vital to your community right now.

Join CPTV as we share how *The Power of Giving* touches the lives of both donors and recipients...and how you can help make 2009 "The Year of the Volunteer" by pledging your talent and time toward one of the 16 nonprofit organizations that will be live in-studio to take your call at 1.877.96.2JOIN.
